NARRATIVE: Morgan Lewis has been praised for its many industry achievements, including being ranked as one of the top law firms in Corporate Counsel magazine's 2010 listing of "Who Represents America's Biggest Companies?" Founded in 1873, we are recognized today as a leader in the legal industry, offering our clients strong resources in many disciplines including complex litigation, corporate finance, mergers and acquisitions, investment management, labor and employment, employee benefits, and intellectual property matters. Each summer, we bring together firm leaders and summer associates from our national offices to one location for a "Kickoff" orientation program and a community service event. In addition, every summer associate is given the opportunity to participate in our Public Interest and Community Service (PICS) Program while receiving their firm salary.
