MORGAN LEWIS PROMOTES EIGHT LAWYERS TO OF COUNSEL STATUS

Announcement follows July election of 12 lawyers to partnership

Philadelphia - October 1, 2002 - Morgan Lewis, one of the 10 largest U.S. law firms, announced that eight lawyers were elevated to Of Counsel status, effective today. The election of these lawyers showcases the depth of talent within Morgan Lewis. The rising Of Counsel were drawn from the litigation, labor and employment, patent, and tax practices. A complete list of all newly elected Of Counsel, their practice groups, and offices follows.

According to Michael S. Kelly, firmwide managing partner for legal personnel, the newly-elected lawyers have achieved this level of recognition not only for their contributions to the firm, but for those made to clients. "The new Of Counsel combine excellence in the legal arena with excellence in the client service arena," says Kelly.

This announcement follows the July 9th public statement that 12 attorneys were elected to the partnership this year, also effective October 1. The new partners were drawn from the business and finance, employee benefits, investment management, intellectual property, labor and employment, and litigation practices. They represented six offices worldwide, highlighting the firm's diverse growth. For full details on the rising partners, visit <http://www.morganlewis.com/newset.html>.
