MORGAN LEWIS RANKS AMONG THE BEST SAY SUMMER ASSOCIATES
American Lawyer 2006 Summer Associate Survey Results

November 1, 2006 — Morgan, Lewis & Bockius LLP is pleased to announce that the firm has been ranked 7th out of 172 firms in the 2006 Summer Associate Survey, as reported in the November 2006 issue of *American Lawyer*. Morgan Lewis was recognized as being the most-improved firm in the nation, having jumped from number 122 to number 7 in just one year. Twenty-three of the ranked firms were classified as national firms. Morgan Lewis was the top-ranked national firm, the top-ranked San Francisco firm, and a top 10 finisher in every city where we were ranked.

“We are excited that our enthusiasm for our firm and its practice is shared by our summer associates,” said Eric Kraeutler, Chair of the Firmwide Professional Recruiting Committee. “Every year, we are increasingly impressed by the talent pool of law students, and this year was no exception. To be rated so highly and so consistently across our offices by such an extraordinary group of students is especially gratifying.”

Almost 90% of the nearly 100 Morgan Lewis summer associates responded to the *American Lawyer* survey, resulting in an impressive consensus among all the summer associates across all the offices.

City-by-city results for Morgan Lewis follow:

National firms: 1st out of 23 firms
San Francisco: 1st out of 18 firms
Philadelphia: 3rd out of 16 firms
New York: 3rd out of 79 firms
