# PROGRAM

**Join us for a one-day seminar sponsored by the Juncadella Corporate Counsel Group (JCCG), Morgan Lewis, and the University of Miami School of Law.**

We will reconnect for some long-awaited and necessary networking, bringing corporate counsel from multinational corporations together for discussions on topics of critical business relevance.

Areas of discussion will include lessons learned and best practices to lead in an uncertain and challenging future, how to navigate the postpandemic legal environment, including supply chain challenges, how to become sustainably relevant as a corporation, and the latest trends in governance.

**CLE Credit:**

CLE credit, including one ethics credit, are pending approval in Florida.

**CHANGE MANAGEMENT - The Legal Department of the Future**

More and more, in-house legal departments are employing new hybrid and remote work models, incorporating artificial intelligence and technology in their workflows, and restructuring and absorbing new teams after mergers, acquisitions, and divestitures. This panel discussion will focus on how the in-house legal department can be a champion in leading successful developmental and transformational change by implementing change management best practices to be effective and efficient, remaining client-focused, and being a trusted business advisor.
